RULES of the SCOUT BASE

- 1) The Scout Law is the Law of the base of the Scout Group AGESCI Roma 41 (hereafter "Base" and "Scout Group").
- 2) The Base is the home of the coccinelle and lupetti (8-11 years old), guide and esploratori (12-16 years old), scolte and rover (16-21 years old), and leaders of the Scout Group AGESCI Roma 41, granted by the Parish of San Gregorio Barbarigo alle Tre Fontane (hereafter "Parish") to carry out informal educational activities according to the scout method for enrolled children and young adults; it is also the legal base of the association in which the group identifies.
- 3) The "Comunità Capi" (group of all the leaders of the Scout Group), every year chooses a team (hereafter "Hospitality Team" or "Team") to organize the logistics of hospitality within the Base.
- 4) The Base hosts scout groups and organized parish groups (hereafter "guest groups") at the times, places, and modalities established by the Hospitality Team, ensuring that the guests' reception does not interfere with the educational activities for which the Base has statutory priority. The Team reserves the right to cancel a reservation at any time due to educational and logistical needs, without any liability for the Scout Group.
- 5) The Base, in a scout style and Christian spirit of hospitality, offers what is available with no pretense of presenting itself as an accommodation facility: it is not a B&B, hotel, or hostel; there are no beds, no industrial kitchen, no private bathrooms, or cleaning services: the Base is managed on a voluntary basis by the young adults and leaders of the Scout Group without any profit and according to their availability, talents, and limitations.
